Questions:

1. Are you CURRENTLY displaying symptoms of COVID-19, such as fever or dry cough?
2. Have you tested positive through a diagnostic test for COVID-19 within the last 14 days?
3. Have you knowingly been exposed to anyone in the past 14 days who has tested positive through a diagnostic test for COVID-19?
4. Have you traveled internationally or from a state with widespread community transmission of Covid-19 per the New York State travel advisory in the past 14 days?

- If any questions are answered, "Yes," the individual should be asked to leave or else isolated until such a time as transportation can be arranged. Immediately contact administration if students are in isolation.
- If #1 is answered, “Yes”, the individual will not be permitted to return until they have documentation of a negative Covid-19 test and symptom resolution.
- If #2, #3 or #4 are answered, "Yes," the individual should be notified that future entry will require the individual to follow DOH quarantine protocols.
