# Our Accommodations

Is there health care available if I am injured or feeling ill ?

Our housing facility is staffed by CPR certified adults who are there to ensure safety and a warm family environment for our students. The city of Olean also offers a fully staffed hospital as well as a 24 hour urgent care facility. If a student is ill and unable to attend school an adult will be able to stay with them through the day.

Is transportation available?

Students will be transported to and from campus daily. The residential facility is in a safe residential neighborhood and within walking distance of a grocery store, Pharmacy, and houses of worship.

# Support Services

## Social Support

To further encourage a nurturing community, each student is assigned a Walsh family. That family is designed to serve two primary functions. Firstly, families help students navigate the world of Walsh. This includes informal counseling, ensuring students are aware of important events, and helping them adjust to our school's expectations for student conduct and responsibilities.

Secondly, these families are an excellent group for students to make new friends and be social, involving students in activities they ordinarily might not do.

Contact our International Admissions Office for more information!
