I hope you enjoy your summer break! Remember, it’s important to keep up on your reading and writing skills even though school is not in session. This summer you will read an extraordinary novel that touches friendship, adolescence, and the strength each individual finds throughout hard times. “I Hadn’t Meant to Tell You This” by Jacqueline Woodson is a great book; you will love it. Attached you will find a worksheet to complete before your return to school. You **MUST** read this text and complete the attached journal entry in order to be prepared for class, as this will be the first novel we discuss during your 2021-2022 school year. Wolk’s book has 28 chapters. Reading 2 or 3 chapters per week will keep you on pace. If you have any questions please let me know! The book is available on amazon for purchase, as well as Barnes and Noble and other well known retailers. I will miss you all dearly, I look forward to seeing you in the fall!
