Re: 2020-21 Transportation Requests

Dear Parents, Guardians and Students,

Please be advised that due to the COVID-19 pandemic which has caused public and private schools to be closed through the end of the 2019-20 school year, **Transportation Requests** for the 2020-21 school year now are due to public school districts on or before May 9, 2020.

Specifically, parents of Catholic and private school students must request transportation services directly from the public school district in which they live. Usually the deadline for submitting written requests for transportation is April 1<sup>st</sup> of the prior school year. However, for the 2020-21 school year, written requests are due on or before May 9, 2020 for the 2020-2021 school year.

Failure to submit a request by this deadline might lead to the suspension of bus privileges for those families who currently receive this service or denial of services to families new to Archbishop Walsh Academy and Southern Tier Catholic School.

Please note that not all public schools are located within the 15 mile radius prescribed by New York State Education Law. Contact the local public school where you reside to inquire if your school district meets this transportation criteria.

Thank you.

Sincerely,  
Thomas J. Manko  
School President and Principal
